CHOCOLATE STOUT (ALL-GRAIN)

Rich, creamy, and intensely chocolate are a few of the words that could be used to describe this delightful brew. Our Chocolate Stout pours a thick, full bodied beer with a fluffy tan head. Your senses will immediately be hit with an intense whiff of dark cocoa. At first sip you'll enjoy a bouquet of flavors such as coffee, a distinct nuttiness, hints of licorice, and a huge dark cocoa finish. Makes a great after dinner treat, should be enjoyed with desserts such as cookies or brownies, or enjoyed by itself as an incredibly delicious way to wind down from a long day!
