SOUTHERN ENGLISH BROWN ALE (ALL-GRAIN)

Southern English Brown Ales are a sub-style of English Brown Ales that have a distinctly more caramel sweetness and dark fruit notes than its more biscuit/bready counterpart the Northern English Brown Ale. When you brew this beer you will enjoy big notes of caramel, toffee, and some dark fruit hints with no noticeable hop flavor that pours a very dark brown with a tan fluffy head. True to style these brews are fairly low gravity and can be enjoyed in multiples! If you're seeking a traditional English Brown Ale to enjoy in the comforts in your home this is the brew for you.
