

LOVE2BREW

MOCHA ESPRESSO STOUT (ALL-GRAIN)

We partnered with local New Jersey coffee Roaster OQ Coffee to create an incredibly rich, velvety, mouth coating coffee/beer experience. It began with a Sweet Oatmeal Stout grain base designed to accentuate the coffee blend with big notes of bitter chocolate, hints of caramel, and a thick body. English hops add earthy and slightly floral notes that compliment the unique OQ Espresso Blend added during bottling. When enjoying you'll experience a huge espresso nose and compliments the big notes of bitter chocolate and coffee. A premium brew for the discerning coffee and beer lover!
