

LOVE2BREW

MOSITRA SESSION IPA (ALL-GRAIN)

Our Mositra Session IPA began with a clear vision; craft a brew that was low enough in alcohol to be sessionable but with flavor big enough to compete with any other beer. Big, bold, aromas of mango, tropical citrus, and stone fruit will hit your nose immediately and upon first taste you'll get to experience those tastes directly creating an incredibly unique IPA experience. Low bitterness despite the high IBUs is due to late hop additions. Malt flavor is low but the body is strong enough to provide a healthy backbone for this brew. English yeast further enhances the overall composition of the brew which helps to result in an incredibly balanced, intensely fruity, and easy to drink IPA.
